Your Excellency,

This confirms that Mr. MUKTAR HASSEN HUSSIN, who holds the Saudi residency permit No. 2135017990 and the Ethiopian passport No. EP6069075, would like to let you know that he has been employed with us since 2008 as a Financial Assistant Manager. He makes SAR 18500/- (eighteen thousand Saudi riyals) (SR) a month.

This certificate was given upon his request for a student visa for his son. We have no objections to him travelling to your country, the USA, for study-related purposes. He is in charge of covering all costs associated with his son's studies and stay in the USA. Therefore, we would like to ask that the required student visa be granted to him under our complete responsibility and guarantee. We are giving him permission to travel to the USA, and we promise your Excellency.

Please feel free to contact us if you require any further information. Your Sincerely

PRINCE BANDAR KHALED ABDULLAH AL SAUD
